EXCLUSIVE PORT INFORMATION FROM THE WORLD'S MOST INFLUENTIAL TRAVEL MAGAZINE

BARCELONA, SPAIN

When you think of Barcelona, Gaudi's architecture and the artwork of Miró and Picasso probably spring to mind. Barcelona is known for its rich history of architecture and art, but this luminous city also offers many more contemporary pleasures. Its modern pulse—the light, the flair, and the energy—continues to captivate visitors, too.

Your Tour Concierge office will be pleased to incorporate one or several Insider Tips in a private excursion with transportation arranged through our insured Tour Operations if you plan on staying in Barcelona after your cruise.

Should you have special shopping interests, please ask about our Personal Shopper program.
